

International Forum & Expo

Trends and technologies in the production and use of animal
and synthetic proteins

September 26, 2019

Holiday Inn Lesnaya, Moscow, Russia

Forum & Expo on trends and technologies in the production and use of animal and synthetic proteins «ProProtein» is the main event for professionals and companies in protein and derivatives business. We will discuss all sides of protein processing: from feedstock to final products, including value added product.

Meet your current and future customers face to face at this comprehensive gathering of professionals who manage, purchase and support the protein processing industry in Russia and neighboring countries. Position your organization as a leader of the industry by becoming a sponsor.

All Sponsors will receive

- Your company's logo displayed on one or more large banners during the event.
- 300 words description of your company featured in the Forum Workbook.
- Sponsor ribbon will be affixed to name badge of each company representative
- Company logo on web-sites proteintek.org, proteintek.com three months prior and three month after the event.
- We recommend that you post the link www.proprotein.com on your website.

Each sponsor Level will receive additional benefits as listed in their respective sections.
