

International Forum & Expo

Trends and technologies in new food proteins

September 25-26, 2026

Lesnaya Safmar Hotel, Moscow, Russia

Forum & Expo on trends and technologies in the production and use of new food proteins «ProProtein» is the main event for professionals and companies in the protein and derivatives business. We will discuss all sides of protein processing: from feedstock to final products, including value-added products.

Meet your current and future customers face to face at this comprehensive gathering of professionals who manage, purchase, and support the protein processing industry in Russia and neighboring countries. Position your organization as a leader in the industry by becoming one of the Forum's partners.

All Sponsors will receive

- Your company's logo displayed on one or more large banners during the event.
- 300 words description of your company featured on the Forum website.
- Sponsor ribbon will be affixed to the name badge of each company representative
- Company logo on websites proteintek.org, proteintek.com three months prior and three months after the event.
- We recommend that you post the link www.proproteinein.com on your website.

Each sponsor level will receive additional benefits as listed in their respective sections.
